

Path to a Public Statement

1. Draft Statement Generated

Any member can propose a statement for consideration.

2. Shared with ACPD Division Representative

Division support is a valuable element of the proposal process.

3. ACPD Chair Reviews and Advances to Board

ACPD Chair will review and may revise the proposed statement before submitting to Board of Directors.

4. SNEB Board Vote

The board holds final authority to approve and release statements.

5. Statement Released to Members and Media

How To: Request SNEB's Support for Sign-On Letters

SNEB welcomes collaboration with organizations on advocacy efforts that align with our mission. To request support from SNEB's Advisory Committee on Public Policy for your letter to legislators, please submit your request online. ACPD Leadership will review and seek Board approval, as necessary.

**Society for
Nutrition Education
and Behavior**

The Advisory Committee on Public Policy (ACPD) advances the association's policy priorities by developing official positions, action plans, and communications on those issues. It also guides advocacy efforts, educates members about policy, and reviews or recommends all formal policy actions for the organization.
